

NEW DD SUPERLIGHT HAMMOCK MOSQUITO NET

Only 190g! (+hanging pocket, 25g, optional)

The DD Superlight Hammock Mosquito Net is part of our DD Superlight Range and fits onto the DD Superlight Hammock (and all other DD Hammocks) making it insect proof. It is completely removable and can be left behind or packed with the hammock for a faster set-up.

PACK SIZE: 14CM X 10CM X 7CM

Set-up Instructions

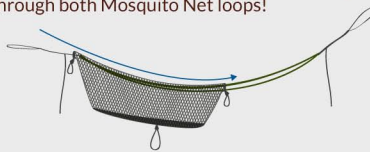

STEP 1.

Untie one of the Whoopie Slings and push Mosquito Net through both loops on the sides of the Hammock Mosquito Net.

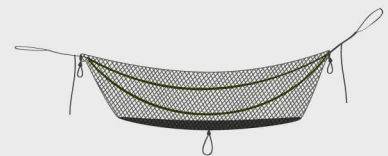

STEP 2.

Push the netting through the hammock until you reach the Whoopie Sling. Hammock should go through both Mosquito Net loops!

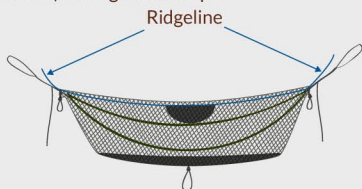

STEP 3.

When the Mosquito Net is in place you can tie Whoopie Sling back to Tree Hugger.

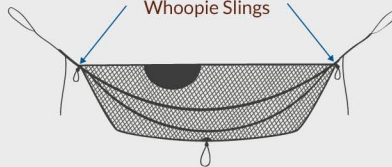

STEP 4.

Put the ridgeline (pocket can be removed if not needed) through both loops.

STEP 5.

Tie Ridgeline to Whoopie Slings

STEP 6.

Tighten cord on both sides of the hammock
