

# TRAIL BACKPACK, 40L

CODE: RUC264

The Trail 40 is a rugged, spacious backpack ready for adventures and weekend trips. It is important to be able to grab your gear quickly on the hill and this bag has access from the top and front, so you can find items at the bottom quickly and keep moving. Built with an Air Mesh back system, your back will stay fresh and cushioned even when you're really pushing yourself up that incline.
